AQUAPOOLS K9

CUSTOM THERAPY & PERFORMANCE POOLS

AquaPools K9 is perfect for gentle swimming during rehabilitation or high-energy splashing and playing with pool toys for fitness or recreation.

Hudson Aquatic System's American-made, freestanding fiberglass, aluminum and beam-style canine pools are designed in a variety of sizes. Options such as spa jets and resistant swim currents provide animals with a complete workout.

Using the natural properties of water, (buoyancy, resistance and heat) the AquaPools K9 custom pool is a tool that can improve the lives of animals who require rehabilitation, suffer from obesity or have arthritis.
