### ABOVE GROUND
- Minimum Pool Size: 4’ x 6’
- Maximum Pool Size: 20’ x 20’
- Water Depth—Min/Max: 6” - 42”
- Swim Current: Optional
- Includes Recirculation System with Filter, Heater and Pump

### Easy-To-Use Features
- Fiberglass, aluminum or beam construction—built to size
- Pre-plumbed recirculation and filtration system
- Extra filter cartridge and water thermometer
- Floating pool cover
- Chemical start-up kit
- Optional Resistance Jets

Hudson Aquatic System’s American-made, freestanding fiberglass, aluminum and beam-style canine pools are designed in a variety of sizes. Options such as spa jets and resistant swim currents provide animals with a complete workout.

Using the natural properties of water, (buoyancy, resistance and heat) the AquaPools K9 custom pool is a tool that can improve the lives of animals who require rehabilitation, suffer from obesity, have arthritis, etc.
The AquaPools K9 offers a low-impact, high-resistance workout, custom-designed to fit you and your pet’s needs.

**NEPTUNE FIBERGLASS**
- Swim Area: 4’ x 8’
