Custom Aquapacer Support Tailored To The Unique  
Needs Of Your Equine Facility

# AQUAPACER TRAINING

**Unbridled Equine has partnered with Hudson Aquatic Systems to offer a unique training experience!**

This incredible opportunity is tailor-made for Hudson AquaPacer owners eager to unlock the full potential of their AquaPacer while ensuring the utmost well-being and peak performance of their horses. AquaPacer trainings will elevate your equine business and set your four-legged athletes up for resounding success.

Unbridled Equine has created step-by-step protocols to guide horses and handlers on best practices while utilizing the AquaPacer in their program. Following the training, you and your staff will be fully confident with:

**Introducing Horses to the AquaPacer**  
**Two-Person Team Operation**  
**Optimizing Settings of the AquaPacer for Individual Horses**  
**Preparedness for the Unexpected**  
**Cleaning, Upkeep and Care for Your AquaPacer Treadmill**  
**Integrating AquaPacer Services Into Your Business**

*.... and more!*

Each training includes pre-training virtual consults, customized consent forms, intake paperwork, record keeping templates, AquaPacer training with Katie Hawkins of Unbridled Equine, and post-training support.

# IN-HOUSE TRAINING

**Waiting for your AquaPacer to arrive? Experiencing challenges with your current set up? Curious to get a behind-the-scenes look at a thriving Equine Rehab facility using the AquaPacer?**

Join us for a customized training at Pinnacle Equine Therapy, a state-of-the-art facility that combines the best rehabilitation equipment in a peaceful, healing environment.

- **Hands-On Expertise:** Gain first-hand experience with our seasoned experts who live and breathe AquaPacer knowledge. They'll guide you every step of the way!
- **Thriving Environment:** Immerse yourself in a vibrant atmosphere with experienced horses and handlers who regularly use the AquaPacer. Learn in an environment designed for your success.
- **Confidence Through Fun:** Have a blast while boosting your confidence! Our engaging training sessions and supportive team will make your training an empowering experience.
- **Practical Protocols:** Acquire a comprehensive training protocol that you can take back to your staff. Experience firsthand how you can inspire your team to optimize the AquaPacer's advantages.

# ON-SITE TRAINING

You just got your shiny new AquaPacer and can't help but think... "Now what?" Or maybe you've been implementing the AquaPacer into your program but have run into some roadblocks (balking horses, confused handlers, lackluster profits)?

Wherever you are in your journey, On-Site Training will put you on a path of success and set you up for AquaPacer excellence.

✓ **On-Site Mastery:** Learn the ropes of AquaPacer installation and operation with tailored training that suits your facility's unique needs.

✓ **Hands-On Skills:** Benefit from invaluable insights and practical know-how shared by our seasoned experts, setting the stage for your AquaPacer's success.

✓ **Efficient Team Training:** Get your entire staff up to speed at once, ensuring unity and readiness to harness the AquaPacer's full potential.

✓ **Horse Habituation Expertise:** Receive expert guidance on gradually acclimating your horses to the AquaPacer, ensuring a smooth and comfortable transition for your equine athletes.

Why struggle on your own? Let us bring the expertise directly to your doorstep and elevate your equine facility with our on-site AquaPacer training!

# BUSINESS CONSULTING

**Elevate your equine rehab business with  
Unbridled Equine's expert guidance.**

Is your equine rehab business struggling to thrive, or are you new to the industry and in need of a winning strategy? Unbridled Equine's consulting services combine decades of industry experience with compassionate coaching to help you identify gaps in your business and put tools in place to move forward with success.

In each session you will benefit from the wisdom of seasoned experts who provide invaluable industry insights, as well as a fresh perspective on the challenges unique to your business. We'll work closely with you to craft a personalized plan that will work for you and your team.

Consult sessions are offered virtually or in-person to answer questions, share experiences, brainstorm ideas and discuss all aspects of equine rehabilitation & bodywork. Consulting time frames and prices are tailored to your needs, and are an excellent add-on to our in-house and on-site trainings.

**Unlock the full potential of your equine rehab business! Partner with us  
for expert consulting and set your course for success in the industry.**

A faded background image showing a person leading a horse through a doorway. The person is on the right, holding the horse's lead rope. The horse is walking towards the left. The scene is brightly lit, possibly from a window or doorway.

**You've already made horse fitness and  
healthcare a priority - don't stop there!  
Having the right equipment is only one part  
of the equation. Knowledge and hands-on  
experience will set you on the pathway to  
success.**
